MS	PhD	AP	CP
Graduate courses as determined by the graduate committee.	Graduate courses as determined by the graduate committee.	Animal Models of Biomedical Research Comparative Pathology Conference Diseases of Laboratory Animals Medical Primatology	

Comments:

Other Opportunities:

We accept biopsy specimens from local veterinary practices to give our residents additional exposure to small animal pathology.

We have joint conferences with NC State twice a year.

We give monthly tutorials on toxicologic pathology and electron microscopy, weekly gross pathology reviews, and practice glass slide exams twice monthly.
