ACVP Exam Proctor Data Form

The Council of the American College of Veterinary Pathologists requests the following information for a database of ACVP diplomates interested in serving as proctors for the certifying examinations. Proctors are generally selected for the Examination Committee in June. They are required to register and attend at their expense the ACVP Annual Meeting later that year, during which there will be an orientation session in preparation for the coming year. Proctors are appointed to the ACVP Exam Committee for one year, during which they participate in the preparation and administration of the exam. The time commitment from January through September is substantial and attendance at two meetings (an extended weekend meeting in early June in Fort Collins, CO, and a Tuesday through Friday meeting in Ames, Iowa at the time of the examination in September) is required. Travel expenses during the year of service are covered by the ACVP. New examination committee members are usually selected from the pool of diplomates who have previously served as proctors.
