

AMERICAN COLLEGE OF VETERINARY PATHOLOGISTS
CLINICAL PATHOLOGY - 2011

HEMATOLOGY

40 Multiple Choice Questions

1. Your candidate number should be on this cover sheet of the examination booklet and on the computer graded answer sheet.
2. For each of the multiple choice questions select ONE appropriate answer and mark it on the answer sheet. Credit will be given only for those answers recorded on the computer graded answer sheet. All questions for which more than one answer or NO answer is marked will be recorded as incorrect. Be certain that any corrections are erased completely.
3. Reference intervals have been provided with individual questions where deemed appropriate. Note that reference intervals for selected parameters may vary from question to question due to laboratory variation.
4. The percentage breakdown for the hematology section is:

Multiple Choice 40%
Microscopic 40%
Digital Images 20%

If you have a question during the examination, please raise your hand and an examination committee member will come to you.
